MARKING OF INSTRUMENTS

All our instruments are marked by a ~~LASER MACHINE~~. Our marking shows:

Elcon LOGO & Elcon catalogue no. & CE Mark
Stainless Germany & lot number.

Special markings are also possible on request!

The lot number on each instrument allows us to track the manufacturing date, the used material, the person who manufactured it and the person who did the quality control. So if there should be something wrong with a instruments we can immediatelly find the problem and eleminate it.
