INOGEN ONE^{G5}

Oxygen. Anytime. Anywhere[®]

Once again, Inogen innovation sets a new standard in oxygen delivery.

The Inogen One G5 offers the most oxygen per kilogram for a portable oxygen concentrator on the market today. With flow settings from 1-6, the Inogen One G5 is designed to dramatically increase independence for most supplemental oxygen users 24/7. It can be charged at home or on the go - giving patients the freedom of Oxygen. Anytime. Anywhere.

The Inogen One G5 is your one solution, your single solution, for oxygen at home or away.
